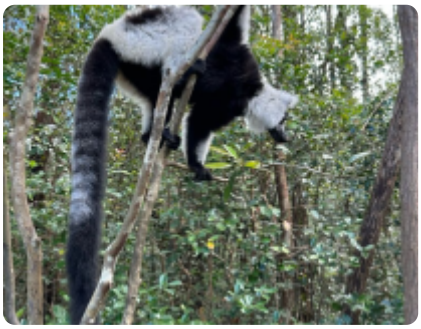
Tour Highlights

High value tours, activities & attractions



Andasibe Mantadia National Park

"Almost the whole park is formed by primary forest which has never been modified by human beings. It is also a refuge for many animals and plants. Thus, it is not uncommon to come across a multitude of species: lemurs, birds, chameleons, and insects of all kinds."

Know More >>

Nosy Boraha

Sainte-Marie Island is known for its authentic and preserved character, whale watching, beautiful beaches, and history.

Know More >>

Nosy Soa Park

Close interaction with Lemurs

Know More >>

Palmarium forest reserve

The name Akanin’ny Nofy means “the nest of dreams”. The name describes this little paradise perfectly. However, the reserve is better known under its second name “Palmarium” or formerly “La Palmarie”.

Popular Queries

Additional information

"Operator hand to hand protocol" -- what is it?

- The Operator hand to hand protocol is an operational directive, where by the guests are handed over from one operator to the next, as the program requires.
- This method will preempt our guests looking for drivers, and contact persons and other assistance at various points of the journey.
- Though there is a cost, this method ensures hassle free, relaxed enjoyable tour for our guests.

Who can travel?

- Adult passengers from all countries.
- Minors must be accompanied by an immediate relative/guardian.

What are the travel requirements?

- Passport valid for at least 6 months from the start date of the tour.
- Entry permit as required for various Nationalities.
- Madagascar visa policy.
- Health insurance valid for the duration of the journey, preferably "cash free" policies.

How safe is Madagascar?

- As safe as safe could be.
- With no large carnivores, nor poisonous reptiles, outdoors are very safe.
- The population is very friendly and easy going.
- Public Transportation is erratic and is not recommended for tourists on short holidays.

Are credit cards accepted in Madagascar?

- Not everywhere.
- Many vendors do not accept Master Card, and will insist on payment with VISA only or cash.
- Other popular cards like Amex, Diners, etc are also scarcely accepted.

Should cash be carried in local currency?

- It is advisable to keep at least 100~200 $/EUR in local currency - Malagasy Ariary.
- The exchange rate is approximately 4400MGA = 1US$ / 4700MGA =1EURO [April 2024]
- The best place to get it changed is on arrival at the airport.
- Please request assistance from our team on arrival.
- Arirary will be required to make local purchases, for restaurants, tips etc...

How much cash could be carried into and out of Madagascar?

- Visitors and residents can import up to MGA 400,000 and an unlimited amount of foreign currency. Sums of money greater than EUR 7500 will need to be declared at the customs department.
- Visitors and residents can also export up to MGA 400,000 in local currency and an unlimited amount of foreign cash providing a written declaration is made at the customs department.

What are the other important entry regulations in Madagsacar?

- **Free import**
  • 500 cigarettes or
  • 25 cigars or
  • 500 grammes of tobacco
  • 1 bottle of alcoholic beverages
- **Prohibited**
  • Illegal drugs
  • Weapons, explosives and ammunition
  • Knives and deadly weapons
  • Plant and plant products – unless permission has been obtained
  • Meat and meat products
  • Pets and animal products – unless permission has been obtained
  • Electronic equipment
  • Counterfeit money and goods
  • Pornographic materials
- **Restricted**
  • All passengers planning on re-exporting guns and ammunition will be required to apply for an export permit from their local “Chef de Province”.
  • All perfume is subject to duty regulations and cannot enter the country for free.
  • Fruit and vegetables will need to be declared and an entry permit obtained before being granted entry into the country.
  • Protected plant and plant materials are prohibited from entering the country.
  • All animals entering the country will be forced to undergo a sanitary inspection upon arrival. The creatures will require a veterinarian health certificate from the country of origin specifying the creature’s condition and lack of any contagious diseases. Dogs over three months and cats over six months old will need to be specifically vaccinated against rabies less than one month and over three months respectively prior to their entry into the country.

Are foregin insurance policies accepted in Madagascar?

- Yes they are and it is a mandatory requirement to travel with us.

How much does this package cost?

- The cost of a tour package is a function of various services; viz, class of accommodation, period of travel, meal plan etc.
- Please make a booking and we will send a price offer for your consideration.
